

# User Stories

## Account Management

1. **As a user, I want to sign into the application so that I can access my account and personalized features.**
2. **As a user, I want to create an account in the application so that I can join book clubs and participate in events.**
3. **As a user, I want to sign out of the application so that my account is secure when I'm not using it.**
4. **As a user, I want to update my personal information so that my account details are always accurate.**
5. **As a user, I want to change my account settings so that I can customize my experience.**
6. **As a user, I want my settings to be saved so that my preferences are applied every time I log in.**
7. **As a user, I want to link my account to my social media profiles (e.g., Facebook, Twitter) so that I can share my book reviews and club activities with my friends.**

## Book Club Participation

1. **As a book club member, I want to see the Book Clubs I've signed up for so that I can easily access their details.**
2. **As a book club member, I want to see available Book Clubs near me so that I can join one that fits my interests.**
3. **As a book club member, I want to view the books linked to my current Book Clubs so that I know what to read next.**
4. **As a book club member, I want to rate books using a 5-star system so that I can quickly express my opinion on a book's quality.**
5. **As a book club member, I want to write in-depth book reviews in a blurb format so that I can share detailed insights with others.**
6. **As a book club member, I want to browse other members' reviews so that I can understand different perspectives on the book.**
7. **As a book club member, I want to receive personalized book recommendations based on my reading history and preferences so that I can discover new books that interest me.**
8. **As a book club member, I want to receive book recommendations with explanations so that I understand how they relate to my reading history.**
9. **As a book club member, I want to participate in group chats within the Book Club so that I can have real-time discussions with other members.**

## **Event Management**

1. **As a book club organizer, I want to create events so that members can participate in scheduled readings and discussions.**
2. **As a book club organizer, I want to edit event details so that I can update information if plans change.**
3. **As a book club organizer, I want to cancel events so that members are informed when a scheduled meeting is no longer happening.**
4. **As a book club organizer, I want to see a list of RSVPs for each event so that I can prepare based on the expected number of attendees.**
5. **As a book club member, I want to view an event calendar that shows all upcoming events across multiple clubs so that I can easily manage my participation.**
6. **As a book club member, I want to RSVP to events so that the club organizer knows if I will be attending.**
7. **As a book club member, I want to change my RSVP status so that my plans are accurately reflected.**
8. **As a book club member, I want to receive reminders about events I've RSVP'd to so that I don't forget to attend.**
9. **As a book club member, I want to receive notifications when event details change so that I'm aware of any updates.**
10. **As a book club member, I want to search for events near my location so that I can find convenient clubs and events to attend.**
11. **As a book club member, I want to see the lowest point of reading progress among attendees for an upcoming event so that I know how far ahead or behind I am.**

## **Book Club Management**

1. **As a book club organizer, I want to view the average rating of a book based on the 5-star system so that I can gauge the general reception among members.**
2. **As a book club organizer, I want to generate a list of recommended books for the group based on popular reviews and ratings so that I can suggest books that align with members' interests.**

## **Customization & Interface**

1. **As a user, I want to customize the app's interface (e.g., themes, fonts) so that the reading and browsing experience suits my personal preferences.**
